and The WARM Place

The Firemen's 5K, a nonprofit 501(c)(3), was established in 1999 by Gary Stevenson in memory of the firefighters who lost their lives while fighting a church fire in Lake Worth, Texas.

In 2014, the Firemen's 5K Scholarship fund was established for graduating seniors of Castleberry High School and children of Fort Worth and River Oaks Firemen.

The Firemen's 5K is a way to give back to the community who so generously supported the families after the death of these young men. The tradition continues to honor Brian and Phillip and the great men and women who risk their lives on a daily basis to keep others safe.
